* 'General Boundary Agreements' refer to agreements entered into under s. 66.0301 Wis. Stats. Although Wisconsin law now requires communities to file their general boundary agreements with the Office of the Secretary of State, this was not the case prior to 2007. As a result, Municipal Boundary Review staff, who have prepared and maintain the above list, may be unaware of some pre-2007 agreements. Therefore, the above list may not be complete. If your community has a general boundary agreement that is not listed above, please contact:

This list of cooperative boundary agreements is created and maintained by the Department of Administration. The Department has reviewed and approved these agreements pursuant to s. 66.0307 Wis. Stats. For a copy of any of these agreements, or if you have questions, please contact:
